## Course Description

If you are new to watercolor, spend five weeks gaining experience and getting a feel for supplies and essential techniques. After participating in this introductory course, students are invited to continue in the Intermediate to Advanced class for the remainder of the semester.

## Syllabus

Week 1	2/7	The Basics
Week 2	2/14	Value
Week 3	2/21	Color
Week 4	2/28	Edges
Week 5	3/6	Composition

## Materials

A list of supplies will be distributed at the first class. Unless you already have items, you do not need to purchase anything yet.

(Syllabus is subject to change as the class progresses and student needs/desires are considered.)
